Electricity is being turned on today and water and gas was never shut off. So all should be ready for your crew.

Hi Tibor,

Thank you for your email.

As per our conversation, we have confirmed your cleaning service is scheduled for **Thursday, August 21st at 8:00 AM.**

We kindly ask that the property be accessible and that essential utilities, such as water and electricity, are available. This ensures our cleaners have the proper environment to perform the service effectively.

Regarding payment, as you mentioned, the credit card on file is used similarly to a hotel reservation. The funds are placed on hold to secure your booking, but no charges will be made until the day of the service. The payment will be processed once the cleaners arrive at the property, and a receipt will be emailed to you upon completion.

We appreciate your trust in our services and hope you have a wonderful weekend. Should you have any questions or require further assistance, please do not hesitate to reach out.

Warm regards,

Hello Cesar,

In follow up to the emails below, **I have provided to you our credit card information, MC ...7686 by phone 1-877-586-4800.**

You assured me that the card information will be used as a Hotel reservation, putting a hold on this card of the \$128 for 2 workers for 1.5 hours (3 labor-hours) that was scheduled for Thursday, 08/21/2025 at 08:00 AM and **the funds will be taken after the work was done on that date with Receipt provided the same time.**

Please let me know if my understanding is correct and if you need us to turn the electric power back on before the service date (water and sewer services are operational).

**I'll meet the domestic workers at the un-gated parking lot at the main entrance to the Waterbridge Condos and let them through the Gate (code #1598) and guide them to parking space #442 and condo unit #206. Please advise domestic workers to call me 858-360-0131 about 30-minutes before arrival.**

Sincerely,  
Tibor
